Missionaries Through Aviation
March 2020

Hello Friends, It's Official!

We are now full-time with Free Burma Rangers!

We are excited to announce our transition to full-time ministry with Free Burma Rangers. Zack is the Aviation Director and Sarah has accepted the position of Volunteer Coordinator for the organization. We feel so privileged to be a part of such an awesome group of people who are on the front lines making an impact in tough places.

Thank you all for supporting us through the last 5 years with Kingdom Air Corps and all our trips to and from Texas, Alaska, and Thailand. We are so thankful for the years of growth and experience we gained while serving with KAC. What a blessing! While we know this transition is God's timing, we love our KAC family and will miss serving with them.

We leave Thailand again on March 31 this year. Zack has a position with Lake Clark Air in Anchorage, AK to receive additional flight training. Sarah will continue her role as FBR's Volunteer Coordinator from Alaska as she answers questions and helps with new arrivals via email and Skype. We will return to Thailand this fall.

Sarah did an awesome job coordinating the 16th annual Run for Relief!

Aviation Briefing during FBR's annual staff meeting

In January, we were part of a week-long work trip installing a solar system and water filter systems at FBR-supported border clinic and children's home

Our family with Kittikoon this month at the 1st general aviation airshow in Thailand where our plane was a main feature

Kit is pictured here with a Karen leader and FBR's plane in its new hangar!

Thanks for your support and love, Zack, Sarah, Gabriel, Gideon, and Grady
