Kingdom Air Corps Summer 2019

Our fifth summer season with Kingdom Air Corps is already drawing to a close as our students complete their training for the year. As Chief Instructor at KAC, I have the privilege of flying with all our students at various stages of their training. It is a joy to help them along the way to their FAA certification and see their anticipation of using aviation to serve God. Many of them are taking their FAA checkrides the first week of September. Thanks for praying for them!

Dwayne King, founder and director of Kingdom Air Corps, was recently honored by the FAA with the *Wright Brothers Master Pilot Award* for 50 years of safe flying. I am so thankful to call him my mentor in flying and in ministry. Thank you, Dwayne and Kathy, for your heart for people and for our Lord!

Russia Trip September 2019

I am making plans to visit KAC's flight operations in Russia during September and early October. This three week trip will focus on recurrent flight training for our Russian pilots, maintenance on the three KAC planes based there, and ideas for future expansion of missions aviation in Russia. Please pray for quick visa approval and for my ticket purchase. The trip will cost around \$2,100.

Brooks Range Bible Camp July 2019

Our fourth year at Brooks Range Bible Camp was another record year for attendance with a total of 93 kids and a record 43 teenage campers! During junior camp 7 children prayed to accept Jesus as their Savior! We are so excited to be a part of their journey to the Father through faith in Christ.

Please continue to pray for the villages of the North. Our hearts were broken again as Sarah and I reconnected with "our kids" from previous years and heard stories of their home life. They desire love and direction. Please pray that the Lord of the harvest would send laborers into this land to begin a revival of love and awakening through the Holy Spirit.

"When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd. Then he said to his disciples, 'The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.'" Matthew 9:36-37
