**Missionaries Through Aviation
December 2019**

Hello Friends,

Since we last wrote in August, we finished out our 5th season with Kingdom Air Corps in AK and are back in Chiang Mai, Thailand continuing our work with Free Burma Rangers. Thank you all for your love, prayers, and support that make all we do possible!

Kingdom Air Corps— Summer Season 2019

We finished out our summer training season with a series of free checkrides thanks to a very generous FAA examiner from Texas who donated an entire week to our students. 5 students passed their checkrides that week! We are thrilled with another summer of training missionaries to fly for Jesus!

Our crazy climate change from AK to Thailand last month!

FBR's Aviation Team (L to R):
Kawsay, Matt, Kit, Zack, and Titus

Free Burma Rangers— October 2019- April 2020

Thank you for supporting our trips across the ocean to continue this work of developing FBR's aviation department. We are excited for the progress our team is making as we expand our reach in Southeast Asia through flight!

Getting the plane in after a day out at the airport

← These two photos capture our recent weekend in the Karen village of Mae Ngao, Thailand where we shared with the church about our passion to assist the Karen in Burma through aviation.
